Tom: C

```
   (intro)  C  G  A7  D  (2x)
            C  G  C  Em  C  G  D
```

(primeira parte)
```
C
  Shed a tear cause I'm missing you
G
  I'm still alright to smile
A7                                 D
   Girl I think about you every day now

C
  Was a time when I wasn't sure
        G
But you   set my mind at easy
A7                                 D
   There is no doubt you're in my heart now
```

(refrão)
```
C                 G
  Said, woman, take it slow
          C              Em
And it'll work itself out fine
C            G                D
All we need is just a little patience
C            G
  Said, sugar, make it slow
            C             Em
And we'll come together fine
C            G                D
All we need is just a little patience

Patience...
```

(segunda parte)
```
C
  I sit here on the stairs
              G
Cause I'd    rather be alone
    A7                        D
If I can't have you right now I'll wait dear

C
  Sometimes I get so tense
           G
But I can't speed up the time
      A7
But you know love
                          D
There's one more thing to consider
```

(refrão)
```
C            G
  Said woman take it slow
          C             Em
And things will be just fine
  C              G            D
```

```
                              C
You and I'll just use a little patience
C              G
  Said sugar take the time
                 C              Em
Cause the lights are shining bright
 C            G               D
You and I've got what it takes to make it
We won't fake it

Oh, I'll never break it

Cause I can't take it
```

(base solo)

```
C  G  C  Em  C  G  D  (2x)
```

(terceira parte)

```
D  D  G  (2x)
D  D       G        D  D  G
     Little patience
               D        D  G
Need a little patience
               D        D  G
Just a little patience

D                           D
  I've been walking the streets tonight
G
  Just trying to get it right
D                           D
  It's hard to see with so many around
              G
You know, I don't like being stuck in the crowd
          D                   D
And the streets don't change but baby the names
G
  I ain't got time for the game
                   D
Cause I need you
 D      G
Yeah but I need you
          F
Oh, I need you
        G
Oh, I need you
           D        D  G  D
Oh, this time...
```
(parte cantada durante a terceira parte)

```
Some more patience, yeah...
Need some patience
Could use some patience
Gotta have some patience
All it takes is patience
Just a little patience
Is all you need
```
