               Ebm (forma dos acordes no tom de Dm )
Capostraste na 1º casa
                                                             Oh oh oh, sweet child o' mine
Intro: C Bb F C C Bb F C
                                                                     Bb
                                                             Oh oh oh, sweet love of mine
                                                                    Bb
[Primeira Parte]
                                                             Oh oh oh, sweet child o' mine
                                                                    Bb
                                                             Uh uh uh, sweet love of mine
She's got a smile
                                                             [Solo 3] Dm Bb A7 Gm
That it seems to me
                                                                     Dm Bb A7 Gm
                                                                     Dm Bb A7 Gm
Reminds me of childhood memories
                                                                     Dm Bb A7 Gm
                                                                     Dm F G Bb C
Dm F G Bb C
Where everything was as fresh
                                                                     Dm F G Bb C
As the bright blue sky
                                                             [Ponte]
Now and then
                                                              Dm
When I see her face
                                                             Where do we go?
                                                             Where do we go now?
She takes me away to that special place
                                                              G
                                                             Where do we go?
And if I stare too long
                                                              Dm
I'd probably break down and cry
                                                             Where do we go?
                                                              F
[Refrão]
                                                             Where do we go now?
     Bh
                                                             Where do we go now?
Oh oh oh, sweet child o' mine
Oh oh oh, sweet love of mine
                                                             Where do we go?
[Solo 1] C Bb F C
                                                             Where do we go now?
[Segunda Parte]
                                                             Ay, ay, ay, ay
                                                             Ay, ay, ay, ay
She's got eyes
                                                                                Bb C
                                                             Where do we go now?
Of the bluest skies
                                                             [Terceira Parte]
  Bb
                                                              Dm
As if they thought of rain
I hate to look into those eyes
                                                             Where do we go?
  C
                                                              G
And see an ounce of pain
                                                             Where do we go now?
                                                              Dm
                                                             Where do we go?
Her hair reminds me of a warm safe place
                                                                                Bb C
                                                              G
                                                             Where do we go now?
Where as a child I'd hide
                                                              Dm
And pray for the thunder
                                                             Where do we go?
                                                                                (frase 1)
And the rain
                                                             Where do we go now, now, now
To quietly pass me by
                                                             Now, now, now, now, now?
[Refrão]
                                                                    F
Oh oh oh, sweet child o' mine
                                                             Sweet child
                                                                 G Bb C Dm
Oh oh oh, sweet love of mine
                                                             Sweet child o' mine
