Guns N' Roses - The blues

Tom: G		Fill 2:
Fill 1:		"I don't know what i just said dooo
This is the little lead part over the intro chords Fill 2:		
		"Everywhere i go i see yooouuu
This comes after the solo		Solo:
Verse: G A	Am	Here goes!!
"So now i'm wanderin' away Tryin' to find my way"		
G	Am	
"Keep the feelings that i felt I save 'em for you and no one else"		
G Am		It ain't perfect, especially the fast bits, but i think it's a good attempt at it. I think Finck (no pun intended) is, along with Buckethead, one of the most under-rated guitarists around today, this solo helps make me think (again, no pun intended) that.
		Fill 3:
C D		Outro:
"That's not scarlet on my feet, A change that's sweet, That's Called the Blues"		This is the bit after the Piano interlude. It carries into the "Ooooh oh oooooh oh oh, woh baby" part.
Fill 1:		G G D D A
Rhythm Fill:		"Ooooooooooh Ooooooooh Oh Woh Baby" The song ends on a G.
