

Guns N' Roses - This I Love

tom:
 Abm (forma dos acordes no tom de Am)
 Afinação: Eb Ab Db Gb Bb Eb

Am
 And now I don?t know why

F
 She wouldn?t say goodbye

Dm
 But then it seems that I

E
 Had seen it in her eyes

Am
 And it might not be wise

F
 I?d still have to try

Dm
 With all the love I have inside

E
 I can?t deny

Am
 I just can?t let it die

F Dm
 Cause her heart?s just like mine

E
 She holds her pain inside

Am
 So if you ask me why

F Dm
 She wouldn?t say goodbye

E
 I know somewhere inside

Am
 There is a special light

F
 Still shining bright

Dm
 And even on the darkest night

E
 She can?t deny

Am
 So if she?s somewhere near me

F
 I hope to God she hears me

Dm
 There?s no one else could ever

E
 Make me feel I?m so alive

Am
 I hoped she?d never leave me

F
 Please God you must believe me

Dm
 I?ve searched the universe

E
 And found myself within? her eyes

(Am F Dm E)

Am
 No matter how I try

F
 They say it?s all a lie

Dm
 So what?s the use of my

E
 Confessions to a crime

Am
 Of passions that won?t die

F
 In my heaaaaa... aaa

Dm
 Aaaaaa... aaa

E
 Aaaaaa... art

Am
 So if she?s somewhere near me

F
 I hope to God she hears me

Dm
 There?s no one else could ever

E
 Make me feel I?m so alive

Am
 I hoped she?d never leave me

F
 Please God you must believe me

Dm
 I?ve searched the universe

E
 And found myself within? her eyes

Am
 So if she?s somewhere near me

F
 I hope to God she hears me

Dm
 There?s no one else could ever

E
 Make me feel I?m so alive

Am
 I hoped she?d never leave me

F
 Please God you must believe me

Dm
 I?ve searched the universe

E
 And found myself within? her eyes

Am
 And now I don?t know why

F
 She wouldn?t say goodbye

Dm
 It just might be that I

E
 Had seen it in her eyes

And now it seems that I
 Gave up my ghost of pride
 I'll never say goodbye

Aah... aah
 Aah... aah
 Aah... aah
 Aah... aah
