

Gunship - Dark All Day

tom:

Abm

Abm E

As he takes from me my last breath, inhale
 Dbm
 I'm picking up the scent

Abm

What a hell of a feeling

E

It is dark all day

Dbm

But there is something in the sky that glows

Abm

What a hell of a feeling

E

With such a brilliant mind

Dbm

Can you feel those chemicals in the air tonight

Abm B

I will see you on the other side

Gb E

I am your night girl, rip my heart out

Abm B

Darkness falling yet another night

Gb E

Come on, Lost Boys, let's stay alive

What a hell of a day to embrace disorder

Dbm

And there is something in your eyes that burns

Abm E

Light up. Drag the river

Dbm

Can you see there are chemicals in the air tonight

Abm B

I will see you on the other side

Gb E

I am your night girl, rip my heart out

Abm B

Darkness falling yet another night

Gb E

Come on, Lost Boys, let's stay alive

Let's fly

Abm E Dbm

Abm E Dbm

Abm B

I will see you on the other side

Gb E

I am your night girl, rip my heart out

Abm B

Darkness falling yet another night

Gb E

Come on, Lost Boys, let's stay alive
