

Gus Hillen - Light My Days

tom:
Capostrate na 4ª casa
Gb (forma dos acordes no tom de D)

Tell me girl are you alright
Tell me who can make you cry
No i cannot understand, where to go
If you ain't letting me
Hold it on

No more weeping everyday
I hold you by the hand so let me say to you

You are mine all mine
You are mine all mine

I give you love and you give me sunshine
You are mine all mine
Spread ur wings and fly up high

Tell me girl are you alright
Tell me who can make you cry
No i cannot understand, where to go
If you ain't letting me
Just let me know
You are mine all mine
You gave rain and i give you sunshine baby
Let it go, let it shine
If you are mine, all mine all mine
