I'm Young

**Bm**  
What can I know of the tide turn

How can I wish to descry

All shades of white, all types of gray?

**D**  
I've sung

**Bm**  
To rebels, old men

The poor and rich

**G**  
And all I can be sure of is

**A Bm A**  
We look for love perpetually

**D Gb7**  
So I'll solely exist

**Am7 G**  
Soulfully grasp each second

**D Gb7**  
I'll take every risk

**Am7 G D**  
Disconnect all fear, separateness

**D**  
I'm done

**Bm**

Trying to win every battle

**G**  
How can I wish to rejoice

**A Bm A**  
When my mind is stuck in this losing game?

I fall

Deeper and deeper in questions

**G**  
All of which can only be answered

By living uncertainly

**D Gb7**  
So I'll solely exist

Soulfully grasp each second

**D Gb7**  
I'll take every risk

**Am7 G D**  
Disconnect all fear, separateness

Don't look down
