

Gustavo Bertoni - White Roses

tom:

Am

Dm

This dance

G

Asks for

C

Am

White roses beneath our feet

Dm

Watch where

G

You step

C

Am

Unless you wanna get hurt

Dm

I guess

G

We're too old

C

Am

To fall in love desperately

Dm

I've learned

G

The hard way

C

Am

To love an idea is destructive

Dm

G

C

As the rain pours over us, dear

Am

Dm

Listen to our beating hearts here

G

The sun will rise and I'll be gone, dear

C

Am

Don't weigh on me

Dm

E7

We'll find pleasure beyond measure

Am

Then I'll disappear

Dm

Shadows

G

Lurk in

C

Am

You help me invite them in

Dm

You know

G

My shit

C

Am

Still, you still chose to stay

Dm

Swim in

G

Deeply

C

Am

Imperfect curves and lines

Dm

I accept

G

And you too

C

Am

These hours of escapism

Dm

G

C

As the rain pours over us, dear

Am

Dm

Listen to our beating hearts here

G

The sun will rise and I'll be gone, dear

C

Am

Don't weigh on me

Dm

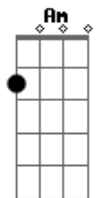

E7

We'll find pleasure beyond measure

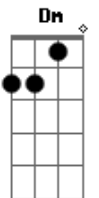

Am

Then I'll disappear
