

Gustavo Mioto - Last Goodbye

tom:

Bb (forma dos acordes no tom de G)

Capostrate na 3ª casa

We've both been here before
 Too many fights, too many nights
 Too much whiskey, fire on ice
 We've tried to lock that door
 Throw away the key but, baby, you and me
 Always find a way for more

Pull each other in just to push us away
 This is more than we can take
 Both hate for this love to just go to waste
 It's gone too far not to break

This is our last goodbye
 This can't go past tonight
 I wish you the best, but there ain't nothing left
 Just a heart-sized hole inside my chest
 We can always say we tried
 There's no going back, no need to lie
 If we can't make this last, let's make it our last
 This is our last goodbye

Don't act so caught off guard
 Don't pour that drink, don't talk too sweet
 A kiss is just a starter

Then we go a little farther
 Baby, please, don't you make this thing any harder

'Cause this is our last goodbye
 This can't go past tonight
 I wish you the best, but there ain't nothing left
 Just a heart-sized hole inside my chest
 We can always say we tried
 There's no going back, no need to lie
 If we can't make this last, let's make it our last
 This is our last goodbye

Both hate for this love to just go to waste
 It's gone too far not to break

This is our last goodbye
 This can't go past tonight
 I wish you the best, but there ain't nothing left
 Just a heart-sized hole inside my chest
 We can always say we tried
 There's no going back, no need to lie
 If we can't make this last, let's make it our last
 This is our last goodbye
 This is our last goodbye

There ain't nothing left, but I wish you the best
 'Cause this is our last goodbye
