

# Gyl Silva - Jardim

tom: G

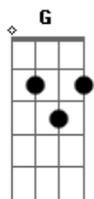

Uma flor  
 Eu vejo em seus olhos  
 Se me encontra  
 E sai desvendando  
 Seus segredos  
 Que nunca  
 Você quis contar

Uma flor  
 Que sai

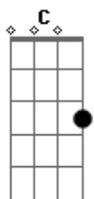

Exalando o seu cheiro  
 Me mostra  
 Todos os seus medos  
 Que nunca você  
 Quis contar

No seu jardim  
 Me encontro em paz  
 Em seu jardim  
 Eu vivo em paz  
 O amor vai te regar
