

Haddon - Spiral

```
tom:
Intro: Gm Eb7M Bb F
Woke up tired at five am
My worries welled up once again
Wish I gave em to you then
Took the time to stop and pray
But I can't hear your voice today
Lord I need you give me strength
                                     Eb7M
I'm falling down the stairway spiral
Haven't felt safe in a while
But your word's a cornerstone
So, pick up the pieces
It's just a season
Job didn't know it
But there was a reason why
Hope was hard to find
Gm
Finish the story
It's for His glory
Paul sang in chains
Through all of the woe he knew
You gotta see it through
                         Eb7M Bb F Gm
Gm
There's a plan for you
                    Fb7M
Worry wakes me up again
Shirt is stuck to the skin
How I need to hear your voice
I yearn to be the mom she needs
Yet my hands are trembling
As I lift them to you Lord
I'm falling down the stairway spiral
