

Hailee Steinfield - Flashlight

tom:

[Primeira Parte]

When tomorrow comes
I'll be on my own
Feeling frightened of
The things that I don't know
When tomorrow comes, Tomorrow comes
When tomorrow comes

And though the road is long
I look up to the sky

In the dark I found, lost hope that I won't fly
And I sing along, I sing along, and I sing along

[Refrão]

I got all I need when I got you and I
I look around me, and see a sweet life
I'm stuck in the dark but you're my flashlight
You're gettin' me, gettin' me through the night
Kick start my heart when you shine it in my eyes
I can't lie, it's a sweet life

I'm stuck in the dark but you're my flashlight
You're gettin' me, gettin' me through the night

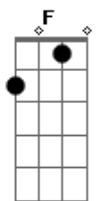

[Segunda Parte]

I see the shadows long
Beneath the mountain tops
And I'm not afraid
When the rain won't stop
Cause you light the way
You light the way, you light the way

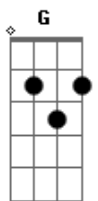

[Refrão]

I got all I need when I got you and I
I look around me, and see a sweet life
I'm stuck in the dark but you're my flashlight
You're gettin' me, gettin' me through the night
Kick start my heart when you shine it in my eyes
I can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
You're gettin' me, gettin' me through the night
Cause you're my flash light
You're my flash light, you're my flash light
