HAIM - Don't Save Me

Tom: G

```
    Verse 1:
G
Never thought that I would grow so old of seeing the gold
                        D  Em C
Still I never want it to go
C
I would hold it up to my cold heart
              G   D  Em G
Feel the way it used to start

G
Take me back, take me back
G                          D Em
To the way that I was before
C
Hungry for what was to come
                    G          Em
Now I'm longing for the way I was

Bridge:
G
You say you will, say you will save me
G                                      Em
You say you will, say you will save me
C
You say you will, say you will save me
C
You say you will, say you will

Chorus:
Bm            C
Take me back, give it up, give it up to me
Em            D                     Bm
'Cause I can't go on if your love isn't strong
                C                   Em
I want it all, give me, give me all your love
                  D
But if you can't hold on
          Bm        C         Em
Then baby, baby, don't save me now

If your love isn't strong
Bm           C         Em D  G
Baby, don't save me now

Verse 2:
G
All my life I wasn't trying to get on a high way
G                          D  G
I was wondering which way to go
G
Spending all of my damn time
                        D  G
```

```
Leaving all the weight behind

G
Take me back, take me back to the song
                    D  C
How'd it used to go?
C
Screaming for what was to come
                                  G
Now I'm dreaming about the way I was

Bridge:
G
You say you will, say you will save me
G                                    Em
You say you will, say you will save me
C
You say you will, say you will save me
C
You say you will, say you will

Chorus:
Bm            C
Take me back, give it up, give it up to me
Em            D                     Bm
'Cause I can't go on if your love isn't strong
                C                   Em
I want it all, give me, give me all your love
                  D
But if you can't hold on
          Bm        C         Em
Then baby, baby, don't save me now

If your love isn't strong
Bm           C       Em D  C
Baby, don't save me now

C                              Em   C
And if I had to beg for your love
C                  Em   C
Would it ever be enough?
C                                  Em
And if I had to beg for your love
                    G    C
Would it ever be enough?

  Bm           C
So baby, don't save me
  Bm           C
No baby, don't save me

Bm           C       Em D
Baby, don't save me now (if your love isn't strong)
