

Halestorm - Like a Woman Can

tom:
Fm

Intro:
[Primeira Parte]

Do you lose sleep like I do?
Barely eat like I do?
Do you wait for my calls? Do I matter at all to you?
Are you soft to the touch?
Do you only play rough?
Do you know how to whisper and speak with your fingers? Ooh

[Pré-Refrão]

Oh, it's not hard to please me
Baby, this should be easy

[Refrão]

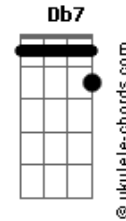

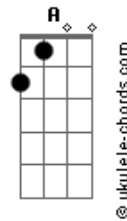

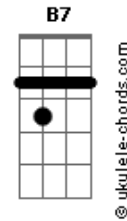

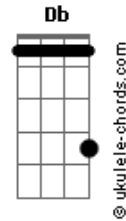

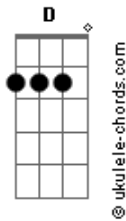

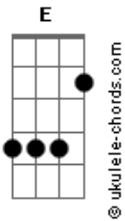

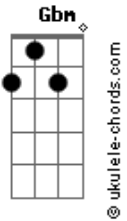

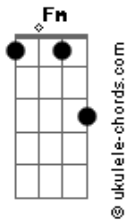

I'm just a woman, and you're just a man
We both have two hands, why can't yours understand how to touch me?
I woulda stayed, but you can't
Love me the way that a woman can
Why can't you love me
Why can't you love me
Oh, why can't you love me
Like a woman can?

(Gbm E D Db7)

[Segunda Parte]

All of my roses are pink
And your violets are blue
Thinking maybe we made a mistake mixing the two
Now I'm driving away

Acordes

And you got nothing to say

I want someone who cries, who feels every goodbye like I do, can you?

[Pré-Refrão]

Oh, it's not hard to please me
Baby, this should be easy

[Refrão]

I'm just a woman, and you're just a man
We both have two hands, why can't yours understand how to touch me?
I woulda stayed, but you can't
Love me the way that a woman can
Why can't you love me
Why can't you love me
Oh, why can't you love me
Like a woman can?
