

Halestorm - Private Parts

Tom: A

Gbm E D
Baby forgive me did I do something wrong?
E Gbm
(I don't wanna talk, cant we just let it go?)
E D
What could be so bad that you'd leave me hangin' on?
E D
(I'm not doin' time, this is not the scene of a crime)
E
I lay in bed at night contemplating,
D E
why the hell you gotta keep me waiting.

CHORUS

A E
Every time I try to get a little closer
Gbm
You shut down and the conversation's over
D
I'm right here, but you leave me in the dark
A
Show me your private parts.
E
Give it up baby, what are you afraid of
Gbm
Love sucks when you don't know what it's made of
D
We get naked but I can't undress your heart
A E

Show me your private parts,
Gbm D
show me your private parts

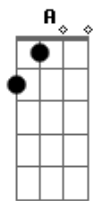

Gbm E D
I can't remember the last time that this felt real
E
(I would've cut you out, if I didn't love you)
Gbm E D
And how can you blame me for feelin' the way I feel?
E D
(I'm not blaming you, I'm just tryin' to figure it out)
D E
I can take a little hesitating,
D E
I'll wait forever if its worth the waiting

CHORUS

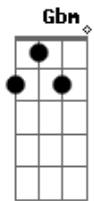

Gbm D
They say that silence is gold, but I think that's a lie
A E Gbm
You think I already know, but I can't read your mind...
Gbm E D
Baby forgive me did I do something wrong?
E
(I don't wanna talk...)
Show me your private parts
