

Haley Reinhart - Bennie And The Jets

```
Say, Candy and Ronnie, have you seen them yet?
                tom:
                                                               Ooh but they're so spaced out, Bennie and the Jets
Intro: G7M F7M
                                                               Oh, but they're weird and they're wonderful
[Primeira Parte]
                                                               Oh, Bennie she's really keen
        D7
Hey kids, shake it loose together
                                                               She's got electric boots, a mohair suit
The spotlight's hitting something that's been known to change
                                                               You know I read it in a magazine
                                                                                    G7M F7M
the weather
                                                                      Bennie and the Jets
We'll kill the fatted calf tonight so stick around
                                                               [Terceira Parte]
You're gonna hear electric music, solid walls of sound
                                                               Am7
