

Haley Reinhart - Don't Know How To Love You

tom:

[Primeira Parte]

D Sunny day
 Bm In all its glory
 D Hot as a Fourth of July
 D The wind came in
 G And graced my face
 Gm And it led me to your eyes

[Segunda Parte]

D Something told me
 Bm I'd be seeing you again
 D But for some reason I still cried
 D Now years have gone by
 G I'm still by your side
 D But there's something on my mind

[Pré-Refrão]

Bm Oh, seems like
 Bm It don't matter
 D If I'm speaking my truth
 D Or hiding some to protect the lie
 Bm And at the end of the day
 Bm You still have something to say
 A Can't get the blues off your mind

[Refrão]

D I
 D I don't know
 Bm I don't know how
 Gm I don't know how to love you
 D No, I
 D I don't know, baby
 Bm I don't know how
 Gm Said I don't know how to love you

[Terceira Parte]

D Well, in the morning
 Bm I reach for your embrace
 D 'Cause I know that you need mine
 D And I want you to know
 G

It can stay this way
 Bb Till the end of our lives
 Bm Oh There've been many, many times
 D When my words get all
 D Tangled up on the floor
 Bm Oh, yeah
 Bm But I beg of you
 Bm That you trust in me
 A That I will always be here
 A To give you more and more
 A And more and more
 D My, my, my
