

Haley Reinhart - What You Don't Know

Tom: G

Intro: Em D C C D Em D B

I know everything about you
 Ever since we were kids
 We never kept secrets
 But there's something that you missed
 Came up on North Push Street, in between the winter days
 Ain't it funny how some things get lost along the way

Pre-Chorus:
 Just when you thought you got it all so figured out

Chorus:
 What you don't know could hurt you
 What you don't know could save your life
 What you don't know has been right here
 If you just open up your eyes
 You don't have to believe everything you're told
 'Cause to me all your scars are beautiful
 What you don't know could hurt you. what you don't know

Verse 2:
 I know she tore your heart out
 Went and threw it on the floor
 Don't mean that you're worthless
 To me you're something more
 Trying to get to your attention
 It's like water into wine
 Guess ignorance is bliss
 And even broken love is blind

Pre-Chorus:
 Just when you thought you got it all so figured out

Just when you thought you got it all so figured out

Chorus:
 What you don't know could hurt you
 What you don't know could save your life
 What you don't know has been right here
 If you just open up your eyes
 You don't have to believe everything you're told
 'Cause to me all your scars are beautiful
 What you don't know could hurt you. what you don't know

Bridge:
 I can't sleep at night
 Wish you were next to me, more than a friend to me
 Can't keep this inside
 I need to find a way to tell you everything
 Everything that you don't know
 [?] could hurt you
 What you don't know could save your life
 What you don't know has been right here
 If you just open up your eyes
 You don't have to believe everything you're told
 'Cause to me you're so damn beautiful
 What you don't know could hurt you, what you don't know
 Can hurt you
 What you don't know can save your life
