

# Half Moon Run - Full Circle

Tom: **F**  
Intro:

**Bb7**  
Cap off kneeling at the back of the church,  
**Am**  
Feeling water on your brow, if it's healing it hurts  
**G**  
At first a sharpish pain that returns as a thought  
**Dm**  
That the needle in your skin will bring you closer to god  
  
**Dm** **F7M** **C**  
And I watch as your head turns full circle  
**Bb7**  
Our hope was with a coffee and a medical text  
**Am**  
It's too easy knowin' nothing blowing off the rest  
**G**  
And the riddles in the pages leave at too much to guess  
**Dm**  
And the worry cracks a fracture from your hip to your chest  
  
**Dm** **F7M** **C**  
As I watch as your head turns full circle  
**Bb7**  
We got lost in the travels in the spiritual book  
**Am**  
Missed the beaches from nirvana and the way that they look

**G**  
And the crooks they're on the island they're killin' to keep  
runnin'  
**Dm**  
They're running severance on the plastic and it seems to be  
working  
  
**Dm** **F7M** **C**  
Is that the best that I can do?  
**Dm** **F7M** **C**  
As I watch as your head turns full circle  
Ponte 2x: **Dm** **F7M** **C**  
  
**A7M**  
You appear even tempered though your looks will deceive  
**Am**  
And the sparks are always flying cause you drink for relief  
**G**  
With the heart of a child and the wit of a fool  
**Dm**  
It's a wonder why I don't try to build a wall around you  
  
**Dm** **F7M** **C**  
When I watch as your head turns full circle  
**Dm** **F7M** **C**  
And I watch as your head turns full circle  
**Dm** **F7M** **C**  
Yeah I watch as your head turns full circle
