

Half Moon Run - Hands In The Garden

Tom: C

1 Verso:

I know that the night
Brings you down on your own knife
But it's alright,
Darling, it's no crime

2 Verso:

Better yourself
Know that got lost thou shalt
But it's all good,
Darling it's no crime

Refrão:

I never thought I could be so happy
I'm looking on it from the inside out
Given the right of circumstances
It could be safe to say

3 Verso:

You're so misunderstood
Darling it's no crime
You got it in your head
That the best is behind of you
Darling that's not right

Refrão:

I never thought I could be so happy
I'm looking on it from the inside out
Given the right of circumstances
It could be safe to say

4 Verso:

Darling it's no crime

Bridge:

Hands in the garden
Cause in the future
This will all come around
To my country house
With your hands in the garden,
Cause in the future,
This will all come around
To my country house

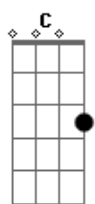

Refrão:

I never thought I could be so happy
I'm looking on it from the inside out
Given the right of circumstances
It could be safe to say

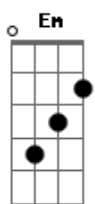

5 Verso:

Darling it's no crime
