And I've stared at the sky in Milwaukee tom: Intro: G And hoped that my father would finally call me I really was born at 9:29 AM on 9/29 And it's just these things that I'm thinkin' for hours You think I'm lying but I'm, I'm? being ?dead serious And I'm pickin' my hair out in clumps in the shower Okay, I'll?prove it Lost the love of my life to an ivory powder [Primeira Parte] But then I realize that I'm no higher power Well, who am I? I'm ?almost 25 That I wasn't in love then, and I'm still not now Can't remember half the time that I've been alive And I'm so happy I figured that out I've got a long way to go until self-preservation 'Cause half was in a cheap apartment And half was on the Eastside (Eastside) Think my moral compass is on a vacation They said don't meet your heroes, they're all fuckin' weirdos And I can't believe I still feed my fucking temptation And God knows that they were right I'm still looking for my salvation Because nobody loves you, they just try to fuck you [Refrão] Then put you on a feature on the B-Side Soft and slow, watch the minutes go And who do you call when it's late at night? Count out loud, so we know you don't keep 'em for yourself When the headlines just don't paint the picture right Watch the minutes go When you look at yourself on a screen and say Bm Count out loud, so we know you don't keep 'em for yourself "Oh my God, there's no way that's me" I think I have a confession to make And I, I quit smoking, well recently, I tried I feel like (So we know you don't) And I bought another house, and I never go outside I need to say that I was really born at 9:26 And I remember this girl with pink hair in Detroit I saw my birth certificate, and I'm a liar Well, she told me And I'm a fucking liar She said, "Ashley, you gotta promise us that you won't die Soft and slow, watch the minutes go 'Cause we need you," and honestly, I think that she lied Count out loud, so we know you don't And I remember the names of every single kid I've met Keep 'em for yourself But I forget half the people who I've gotten in bed Acordes
