

Halsey - Alani's Interlude

tom:

[Primeira Parte]

A shiny badge, a suit to match
 Bit my nails down so they?wouldn't?scratch
 But who believes?in needs like these?
 I'll take two?of them, please

[Pré-Refrão]

With soft skin, soft as all these
 Beautiful lights and beautiful thighs
 They always kept me up at night
 But I can't change my appetite

[Refrão]

'Cause your pussy is a wonderland
 And I could be a better man
 It doesn't matter to me
 Your pussy is a wonderland
 And I could be a better man
 It doesn't matter to me

'Cause he and she is her
 And her and he are love
 And I have never felt the difference
 'Cause he and she is her
 And her and he are love
 Tired of all these labels

[Segunda Parte]

And my girl, she always wore a skirt in the classroom
 Eatin' my dessert in the bathroom
 Can't get caught so we stiller than a statue
 Bad news, think I'll prolly die before I have you

Soft skin, soft as all these
 Beautiful lights and beautiful thighs
 They always kept me up at night
 But I live for lovin' in the light

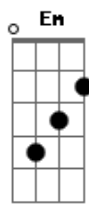

[Refrão]

'Cause your pussy is a wonderland
 And I could be a better man
 It doesn't matter to me
 Your pussy is a wonderland
 And I could be a better man
 It doesn't matter to me (Hey, yeah)

'Cause he and she is her
 And her and he are love
 And I have never felt the difference
 'Cause he and she is her
 And her and he are love
 Tired of all these labels
 'Cause he and she is her
 And her and he are love
 And I have never felt the difference
 'Cause he and she is her
 And her and he are love
 Tired of all these labels
