

# Halsey - Colors

Tom: **Db**

(com acordes na forma de **C**)  
 Capotraste na 1ª casa  
 Your little brother never tells you but he loves you so  
 You said your mother only smiled on her TV show  
 You're only happy when your sorry head is filled with dope  
 I hope you make it to the day you're twenty eight years old

You're tripping like you're saturated sunlight  
 You're spilling like an overflowing sink  
 You're ripped at every edge but you're a masterpiece  
 And I'm tearing through the pages and the ink

Everything is blue  
 His pills, his hands, his jeans  
 And now I'm covered in the colors  
 Pull apart at the seams  
 It makes me blue  
 It makes me blue  
 Everything is grey  
 His hair, his smoke, his dreams  
 And now he's so devoid of color  
 He don't know what it means  
 It makes me blue  
 It makes me blue

You were a vision in the morning when the light came through  
 And I've only felt religion when I lay with you  
 Said you'll never be forgiven till your boys are too  
 I'm still waking every morning but it's not with you

You're tripping like you're saturated sunlight  
 You're spilling like an overflowing sink  
 You're ripped at every edge but you're a masterpiece  
 And I'm tearing through the pages and the ink

**Am**

Everything is blue  
 His pills, his hands, his jeans  
 And now I'm covered in the colors  
 Pull apart at the seams  
 It makes me blue  
 It makes me blue  
 Everything is grey  
 His hair, his smoke, his dreams  
 And now he's so devoid of color  
 He don't know what it means  
 It makes me blue  
 It makes me blue

Everything is blue  
 Everything is blue  
 Everything is blue  
 Everything is blue

You were red and you liked me because I was blue  
 You touched me and suddenly I turned into a lilac sky  
 Then you decided purple  
 Just wasn't for you

Everything is blue  
 His pills, his hands, his jeans  
 And now I'm covered in the colors  
 Pull apart at the seams  
 It makes me blue  
 It makes me blue  
 Everything is grey  
 His hair, his smoke, his dreams  
 And now he's so devoid of color  
 He don't know what it means  
 It makes me blue  
 It makes me blue
