

Halsey - Coming Down

Tom: A

I found God Gbm

I found him in a lover A

When his hair falls in his face D

And his hands so cold they shake Bm

(Dbm) Gbm

I found the Devil

I found him in a lover A

And his lips like tangerines D

And his color coded speak Bm

(Dbm) Gbm

Now we're lost somewhere in outer space

In a hotel room where demons play A

They run around beneath our feet D

We roll around beneath these sheets Bm Dbm

Gbm

I've got a lover

A love like religion

A

I'm such a fool for sacrifice

D

It's coming down, down, coming down

Bm (Dbm)

It's coming down, down, coming down

Gbm

I've got a lover and I'm unforgiven

A

I'm such a fool to pay this price

D

It's coming down, down, coming down

Bm Gbm

It's coming down, down, coming down

Gbm

I found a martyr

He told me that I'd never A

With his educated eyes D

And his head between my thighs Bm

Dbm Gbm

I found the savior

I don't think he remembers A

'Cause he's off to pay his crimes D

And he's got no time for mine Bm

(Dbm) Gbm

Now we're lost somewhere in outer space

In a hotel room where demons play A

D

They run around beneath our feet Bm Dbm

We roll around beneath these sheets

Gbm

I've got a lover

A love like religion

A

I'm such a fool for sacrifice

D

It's coming down, down, coming down

Bm (Dbm)

It's coming down, down, coming down

Gbm

I've got a lover and I'm unforgiven

A

I'm such a fool to pay this price

D

It's coming down, down, coming down

Bm

It's coming down, down, coming down

Gbm A

Every single night pray the sun'll rise

D Bm

Every single time make a compromise

Gbm A

Every single night pray the sun'll rise, but

D

It's coming down, down, coming down

Bm

He's coming down, down, coming down

Gbm

I've got a lover

A love like religion

A

I'm such a fool for sacrifice

D

It's coming down, down, coming down

Bm (Dbm)

It's coming down, down, coming down

Gbm

I've got a lover and I'm unforgiven

A

I'm such a fool to pay this price

D

It's coming down, down, coming down

Bm

It's coming down, down, coming down

Gbm A

Every single night pray the sun'll rise

D Bm

Every single time make a compromise

Gbm A

Every single night pray the sun'll rise, but

D

It's coming down, down, coming down

Bm (Dbm)

He's coming down, down, coming down

D

It's coming down, down, coming down

Bm (Dbm)

He's coming down, down, coming down

D

It's coming down, down, coming down

Bm Gbm

He's coming down, down, coming down
