

# Halsey - Control

Tom: G

Em  
They sent him away to find them a fortune  
Em  
A chest filled with diamonds and gold  
C  
The husband's away, the shadows and monsters  
C  
The hallways, they echoed and glowed

Em  
I sat alone, in bed till the morning  
Em  
I'm crying "they're coming for me"  
C  
And I tried to hold, these secrets inside me  
C  
My mind's like a deadly disease

Em  
I'm bigger than my body  
C  
I'm colder than this home  
Em  
I'm meaner than my demons  
Bm  
I'm bigger than these bones

Em  
And all the kids cry out "please stop you're scaring me"  
Em  
I can't help this awful energy  
Em  
God damn right you should be scared of me  
C  
Who is in control?

Em  
I paced around, for hours I'm empty  
Em  
I jumped at the slightest of sounds  
C  
And I couldn't stand, the person inside me  
C  
I turned all the villains around

Em  
I'm bigger than my body  
C  
I'm colder than this home  
Em  
I'm meaner than my demons  
Bm  
I'm bigger than these bones

Em  
And all the kids cry out "please stop you're scaring me"  
Em  
I can't help this awful energy  
Em  
God damn right you should be scared of me  
C  
Who is in control?

Em  
Well I'm well acquainted with villains that live in my head  
Em  
They beg to write them so they'll never die when I'm dead  
Em  
And I've grown familiar with villains that live in my head
