I came around, I figured out, I should follow my gut

I don't play anymore, I went through your phone

Brought some strangers in our beds so now you lost your right to privacy

Dm
Spilling all our secrets, you thought they'd probably die with me (no)

Eb
Know you fucking love it on the low

Dm
And you don't have to say I'm crazy 'cause I know

Nothing's changed, though

Dm
I gave you a headline, I know I shouldn't bother

Eb
This is a lesson to take, hold someone tight and they break

Dm
Then you say it's a mistake, but you meant it anyway

Gm
Now you can blame me, tell them you made me

Dm
Ignore the shit that you did on the daily

Eb
Think that you played me, but you can't save me
