I spent a long time watering
D Bm
A plant made out of plastic
E A D
And I curse the?ground?for growing green
D G A Gb Bm
I?spent a long time substituting honest?with sarcastic
E A D
And I curse my tongue for being mean

[Primeira Parte]

Em Bm
And weightless, breathless restitute
Em Bm
Motionless and absolute
Em Bm E Gb
He cut me open, sucked the poison from an aging wound
Em Bm
Now fifty thousand war cadets
Em Bm
Would cower at this small brunette
Em Bm
To my surprise, not six feet high
Gb

Would reach and grab the moon if I

Bm Gb
Should ask or just imply

B
That I wanted a bit more light

G
So I could look inside his eyes

Gm
And get the colors just right
D G D Bb Gm
Just right, just right, just
