(Him and I)

**Am**  
My '65 speeding up the PCH, a hell of a ride  
**F**  
They don't want to see us make it, they just want to divide  
**Dm**  
2017 Bonnie & Clyde  
Wouldn't see the point of living on if one of us died, yeah  
**Am**  
Got that kind of style everybody try to rip off  
YSL dress under when she takes the mink off  
**Dm**  
Silk on her body, pull it down and watch it slip off  
**G**  
Ever catch me cheating, she would try to cut my (ha-ha-ha)  
**Am**  
Crazy, but I love her, I could never run from her  
**G**  
Hit it, no rubber, never would let no one touch her  
**Dm**  
Swear we drive each other, mad, she be so stubborn  
**G**  
But, what the fuck is love with no pain, no suffer  
**Am**  
Intense, this shit, it gets dense  
**G**  
She knows when I'm out of it like she could just sense  
**Dm**  
If I had a million dollars, or was down to ten cents  
**G**  
She'd be down for whatever, never gotta convince, no

**Am**  
Cross my heart, hope to die

Remember this for when I die  
**G**  
Everybody dressed in all black, suits and a tie  
My funeral will be lit if I-  
**F**  
Ever go down or get caught, if they identify  
My bitch was the most solid, nothing to solidify  
**Dm**  
She would never cheat, you'd never see her with a different  
guy  
**G**  
Ever tell you different, then it's a lie

**Am**  
See, that's my down bitch, see that's my soldier  
**G**  
She keeps that thang-thang, if anyone goes there  
**Dm**  
Calm and collected, she keeps her composure  
And she gon? ride for me until this thing over  
**Am**
