But I won't let?you kill again			Climb up to the window and I'm breakin' the glass
That's a lose-lose		<b>A</b>	<b>Gbm</b>
			No more, no more, anymore
<b>Dbm</b>		<b>Dbm</b>	
Told me pick my battles and be pickin' 'em wise			And I'm not breakin', I won't take it
		<b>A</b>	<b>Gbm</b>
But I wanna pick 'em all and I don't wanna decide			And I won't ever feel this way again
<b>A</b>	<b>Gbm</b>		<b>Gbm</b>
No more, no more, anymore			'Cause you don't need me anymore, woah
<b>Dbm</b>		<b>Dbm</b>	
So we'll sneak in in the back and then we'll kick in the door			And I won't ever try again
		<b>A</b>	
Tell me, have you ever keyed a Ferrari before?			And all I want in return is revenge
<b>A</b>	<b>Gbm</b>	<b>Gbm</b>	
Oh no, oh I don't anymore			'Cause I don't need you anymore, woah
		<b>Dbm</b>	
<b>Dbm</b>			So where do you go?
And I'm not breakin', I won't take it			
		<b>A</b>	
And I won't ever feel this way again			
<b>Gbm</b>			
'Cause you don't need me anymore, woah			
<b>Dbm</b>			
And I won't ever try again			
		<b>A</b>	
And all I want in return is revenge			
<b>Gbm</b>			
'Cause I don't need you anymore, woah			
So where do you go?
