

Halsey - More

tom: E

[Primeira Parte]

They told me once, nothing grows

When a house ain't a home

Is it true, honestly

When it's?all?a part of?me?

A couple years of waiting rooms

Finding?God, and losing too

Wanna scream, but what's the use?

[Pré-Refrão]

E Lyin' awake, and I stare at the door Abm

B I just can't take it no more E

E They told me it's useless, there's no hope in store Abm

B But somehow I just want you more E

[Refrão]

E I want you more Abm

B Somehow, I just want you more E

E I want you more Abm

B Somehow, I just want you more E

[Segunda Parte]

E Wooden floors and little feet

Abm A flower bud in concrete

B Feelin' so incomplete

E Wonder will we ever meet?

E And would you know it right away Abm

How hard I try to see your face?

B A little screen, a photograph, mine to take E

[Pré-Refrão]

E I sit and I stare at your clothes in the drawer Abm

B I cry and my knuckles get sore E

E 'Cause I still believe it won't be like before Abm

B And now somehow I just want you more E

[Refrão]

E I want you more Abm

B Somehow, I just want you more E

E I want you more Abm

B Somehow, I just want you more E

[Ponte]

E And when you decide it's your time to arrive Abm

B I've loved you for all of my life E

E And nothing could stop me from giving a try Abm

B I've loved you for all of my life E

[Refrão]

E Loved you more Abm

B Somehow, I still love you more E

E Love you more Abm

B Somehow, I still love you more E
