

Halsey - Strange Love

```
Intro: G Em (4x)
                                                                We wrote a story in the fog on the windows that night
                                                                But the ending is the same every damn time, no, no, no
(Verse)
Everybody wants to know, If we fucked on the bathroom sink
                                                                We wrote a story in the fog on the windows that night
                          Em
                                                                                      Em
How your hands felt in my hair, If we were high on
                                                                But the ending is the same every damn time
amphetamines
                                                                (Chorus)
And everybody wants to hear, how we chainsmoked until three
                                                                They think I'm insane, they think my lover is strange
                                     Em
                                                               But I don't have to fucking tell them anything, anything
And how you laughed when you said my name, and how you gripped
my hips so mean
                                                                And I'm gonna write it all down, and I'm gonna sing it on
(Pre Chorus)
                                                                stage
                                      Am
                                                                But I don't have to fucking tell you anything, anything
We wrote a story in the fog on the windows that night
But the ending is the same every damn time, no, no, no
                                                                (Post Chorus)
                                      Am
                                                                That's the beauty of a secret
We wrote a story in the fog on the windows that night
                                                                                                   you know you're supposed to
                                                                keep it
But the ending is the same every damn time
                                                                That's the beauty of a secret (Oh, Oh, Oh)
(Chorus)
             C
                                                                That's the beauty of a secret
                                                                                                   you know you're supposed to
They think I'm insane, they think my lover is strange
                                                                keep it
                                                                But I don't have to fucking tell you anything
But I don't have to fucking tell them anything, anything
And I'm gonna write it all down, and I'm gonna sing it on
                                                                (Bridge)
                                                                These days I can't seem to get along with anyone, get by with
But I don't have to fucking tell you anything, anything
                                                                anvone
                                                                Dm
(Post Chorus)
                                                                Fm
                                                                These days I can't seem to make this right, well, is this
That's the beauty of a secret
                                   you know you're supposed to
                                                               fine? Will it be alright?
keep it
                                                                (Chorus)
That's the beauty of a secret (0h, 0h, 0h)
                                                                They think I'm insane, they think my lover is strange
That's the beauty of a secret
                                   you know you're supposed to
                                                                But I don't have to fucking tell them anything, anything
keep it
                                                                And I'm gonna write it all down, and I'm gonna sing it on
But I don't have to fucking tell you anything
(Verse)
                                                                But I don't have to fucking tell you anything, anything
Everybody's waiting up to hear if I dare speak your name
                        Em
                                                                (Post Chorus)
Put it deep beneath the track, like the hole you left in me
                       Em
                                                                That's the beauty of a secret
                                                                                                   you know you're supposed to
And everybody wants to know 'bout how it felt to hear you
                                                                keep it
scream
                                                                That's the beauty of a secret (0h, 0h, 0h)
                                 Em
They know you walk like you're a god, they can't believe I
                                                                That's the beauty of a secret
                                                                                                   you know you're supposed to
made vou weak
                                                                keep it
(Pre Chorus)
                                                                But I don't have to fucking tell you anything
