

Halsey - The Tradition

tom:

Dm

[Primeira Parte]

Dm C
Oh the loneliest girl in town
G F
Is bought for pennies of prize
Dm C
We dress her up in lovely gowns
G F
She's easy on the eyes
Dm C
Her soul is black and it's a fact
G F
That a sneer will eat you alive
Dm C
And the buyer always brings her back
G F
Because all she does is cry

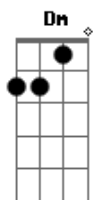

[Refrão]

Dm
So take what you want take what you can
C
Take what you please don't give a damn
G F
Ask for forgiveness never permission
Dm
So take what you want take what you can
C
Take what you please don't give a damn
G F
It's in the blood and this is tradition
Dm C G F
Ooh-ooh-ooh

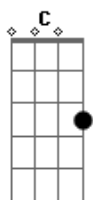

[Segunda Parte]

Dm C
