C7M G
I've often been feeling alone
C7M G
Let me get this out of my bone
C7M G
All this stuck in my throat
C7M G
Like I'm sinking without a boat

Am Em
I made a fortress in my head
Am Em
I feel suffocated waiting for death
Am Em
Just let me know if I have more
Am Em
You're the wound I can't ignore

All this noise but I feel unheard
C7M G
I can't pretend it doesn't hurt
C7M G
I'll give up and watch it burn
C7M G
At least relief my concern

Am Em
I can't love you the same way
Am Em
I really wanted to make you stay
Am Em
I'm doomed to lose you
Am Em
You better go find something new

Am Em
I don't want to keep you in my absence
Am Em
My soul is empty full of indifference
Am Em
I won't hold you in my pain
Am Em
It's not your fault I feel this strain
