

# Hamilton Luduvica - You

tom: G

You understand what my eyes try to hide  
 You hold my hands  
 When I go through the lonely nights  
 My cup of tea  
 Sail in the sea and you rest my soul

You turn all my pains into spring days  
 When it's raining  
 You take me to Spain

Eb7  
 Kiss me more

Ebm  
 Then I will adore

Dm7 Dbdim Cm7 Eb
