

Hanna Krischd?r - Hunger

tom: Intro: C Am F C [Primeira Parte] Candles burned down to the floor Wearing less than you wore before Shoes sitting by the door Never put them on We would stay in my house for days Spilling breakfast on pillowcases Your stuff don?t taste the same Now that you?re gone [Pré-Refrão] Guess I?m prone to overthinking One thing goes wrong and I can?t adjust I lost the taste for the good in us And I?m sorry [Refrão] We had a hunger then Only each other then Couldn?t get enough when we started Always a hunger then Now it?s just emptiness We were in love we were starving We had a hunger then [Segunda Parte] We could ruin a perfect night On my birthday I made you cry You told me you'd learn to drive I guess you lied **Acordes**

```
I could never get sick of you
I just bit off more than I could chew
And as one year turns into two
I?m still not over you (still not over you)
[Refrão]
We had a hunger then
Only each other then
Couldn?t get enough when we started
Always a hunger then
Now it?s just emptiness
We were in love we were starving
We had a hunger then
[Pré-Refrão]
Guess I?m prone to overthinking
I lost the taste for the good in us
I never called when I knew I should
C
And I?m sorry, I?m sorry oh
[Refrão]
We had a hunger then
Only each other then
Couldn?t get enough when we started
We had a hunger then
We had a hunger then
And now it?s just emptiness
We were in love we were starving
We had a hunger then, oh
We had a hunger then
Now it?s just emptiness
We were in love we were starving
We had a hunger then
```
