

## Hannah Storm - Till I Die

tom:

Intro: D<sub>bm</sub>

[Primeira Parte]

Kill me slowly

As you're entering my mind again

My foul old friend

A gentle whisper

Compelling words and I'm controlled again

When you say my name, hmm

[Refrão]

The heavy arms that pull me under

Someone save me from the devil's hunger

Hold me till the end

Love me till I die

[Segunda Parte]

D<sub>bm</sub>  
Oh, ghostly devil

Won't you please leave this weakening soul

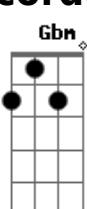

The one you stole

D<sub>bm</sub>  
All dark and dusted

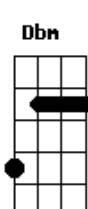

Soon there's nothing left to keep me warm

In this creeping cold, ah
