

# Hannah Zeile - Where I Belong

tom:  
Capostrate na 1ª casa

There are people who know what they wanna be  
Been feeling like everyone knows but me  
Been keeping my head down  
For too long now

There are people so fearless in this world  
They make me feel like a scared little girl  
But things are gonna turn around  
I'm looking up now

I'm gonna get out of my head  
And out in the world  
Gonna say my goodbye to this  
Scared little girl  
I know if I just stay strong  
I'm gonna find out where I belong

There are days that I just wanna stay inside  
Shut the door and  
Turn out all the lights  
But keeping my eyes closed  
Not how its gonna go this time

Gonna get out of my head  
And out in the world  
Gonna say my goodbye to this

Scared little girl  
I know if I just stay strong  
Yeah I know if I just hang on

I won't look back  
I won't look back  
I won't look back  
Gonna break away  
Break away from the past

I won't look back  
I won't look back  
I won't look back  
Gonna break away  
Break away from the past

Gonna get out of my head  
And in to my heart  
Gonna find all the strength  
I had from the start  
I know if I just stay strong  
Yeah I know if I just hang on  
I'm gonna find where I belong  
Find where I belong

Where I belong  
Where I belong  
Where I belong  
I'm gonna find where I belong

## Acordes
