**D**  
I was holding on, now I'm letting go  
**D**  
This is nothing more than a picture show  
**G**  
Everything I knew now I hardly know  
**G**  
Busy keeping less never getting more  
**Em**  
One more nickel dime I'm out the door  
**A**  
This kind of life I can't afford

**D**  
I want to believe  
**D**  
There's something to believe  
**D**  
I would live only  
**D A A**  
Just to believe

Oh, I'd love to believe

'Cause I want to believe  
**Gm D D**

**D**  
Can't put my mind at ease with the words I say  
**D**  
Trying to get myself to get out of my way  
**G**  
Birds in the trees just make me depressed  
**G**  
Seeing sunny skies, feeling emptiness  
**Em**  
Layers of lies just seem to fold  
**A**  
This kind of life is all I know
