 Well I'm the words you never knew, in your head, to be read **Gb B**  
 You can't help you're so insecure **Ebm B**  
 You're hurt right down to the core **Bbm**  
 You're only stuck in your pain today **B**

Are you ready to quit? Are you ready to learn?  
 Are you ready to find the spark inside and let it burn?  
 I'm the walls that close in, I'm the words you won't say  
 I'm the voices you choose to keep inside and lock away, every day

You keep it all to yourself  
 You're just like everyone else  
 So take a good look around
