

Hanson - Carry You There

Tom: D

Well I don't care what you say
 Don't have use for your words anyway
 You dont need a Cadillac
 Cause I'll be waiting with my bare back
 to carry you there

Try, you don't have to be afraid to just rely
 Cause I want to hold the weight part of the time
 It's alright
 It can get too much to handle by yourself
 And if you can't do it alone I know you will say
 I don't know what's at stake
 Or what it takes

Well I don't care what you say
 Don't have use for your words anyway
 You dont need a Cadillac
 Cause I'll be waiting with my bare back
 to carry you there

Turn around And you just might see the good you've left behind I will carry you there...

But you're all caught up with what's still left to find
 And it's never enough, so slow down
 And the root of what your feeling might appear
 Well all the pushing up the hill has brought you here
 And you're used up to the line
 You tell me you are fine

Well I don't care what you say
 Don't have use for your words anyway
 You dont need a Cadillac
 Cause I'll be waiting I'll be waiting
 to carry you there

Dont be too proud, Im holding my hand out
 Youve been my friend on darker days
 I'll still be there despite your despair
 And I don't really care what you say

I'll carry you there
 I will carry you there
 I'll carry you there
