

# Hanson - Deeper

Tom: C

[Intro:] C G Dm F

She moves like a tender kiss

And I can't stop feeling

She soothes with her tenderness

And I can't stop feeling

I even don't even know her name

But I can't stop feeling

She says that she feels the same

And I can't stop feeling

And if you close your eyes tonight

You just might see that I'm

Falling deeper and deeper and deeper in love

And I'm feeling more and more and more and more and more alone

She turns chaos into art  
And I can't stop feeling  
A touch and I fall apart  
And I can't stop feeling  
I'm sounding like an old cliché  
And I can't stop feeling  
I love her in a thousand ways  
And I can't stop feeling  
But if you let me try tonight  
You just might see that I'm

Every simple notion is poetry in motion

Can't you see it's pushing me over the edge

This wrecking ball you're holding

Could crush the heart you've stolen

I give you my devotion all over again

And if you let me try tonight you just might see that I'm
