

Hanson - Don't Even Love Her

Tom: **D**

(I. Hanson / T. Hanson / Z. Hanson)

[Intro:] **D A Em G**

D
I've told you a thousand times
G D A A Em G
She is the end of the end of the line
D A Em G
You will know her every sign
D A Em G D A
Cos you're blinded by the sparkle in her eye

Em G
You don't even love her

D A
You need to find another
How could you love her
Em G D A
When you're not set free?

Em G
You don't even love her

D A
But you keep it under cover
You don't even love her

Em G
But you make believe

Don't give me one more lie
You've been telling yourself to just survive
She loves you; you want her to need you
Every promise you see through just open up your eyes

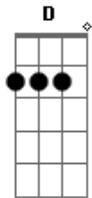

D
You got to quit make believing try betting on me **A**

Em G D
It's just make believing

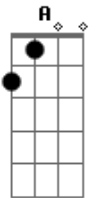

A Em
You gotta quit your deceiving

G D A Em G
You gotta set yourself free it's just make believe
