

# Hanson - Dying to be alive

Tom: C

[Intro:] C F G

C F G C  
I heard you crying somebody stole my soul  
F G C  
How could I be dying I turned twenty five days ago we're all  
Bb F G C  
On the ground just crying out would somebody save me please  
Bb F  
G  
I won't sit around just thinking about the troubles that  
tomorrow brings

C Dm Em F Eb Bb  
I'm dying to be alive, yeah  
C Dm Em F Eb Bb  
I'm dying to be alive, yeah  
C Dm Em F Eb Bb  
Let's not go through our lives without  
C Dm Em F Eb Bb  
Just dying to be alive, yeah

The people you've touched the way you touched them I hope  
they've touched you too  
'Cause in this life it's hard to tell what's false and what is  
true  
We're all on the ground just crying out would somebody save me  
please  
I won't sit around just thinking about the troubles that  
tomorrow brings

I'm dying to be alive yeah

Not trying to just survive  
Let's not go through our lives without  
Just dying to be alive

Am G F C  
And we all come tumbling down  
Am G F C  
No matter how strong we all return to the ground  
Am G F C  
Another day gone, a day closer to fate  
Am F  
And soon we'll find it's a little bit too late  
Solo: Am F G

The things you see the way you see them will never be seen  
again  
Let's go through life living on luck, betting ten thousand to  
ten  
Mistakes I've made in this life I can't say why or when  
But the thing that's strange is you only live once, I'll never  
look back again

Bm A G D  
And we all come tumbling down  
Bm A G D  
No matter how strong we all return to the ground  
Bm A G D  
In the days to come you'll say why did I wait  
Bm G A  
You can't just leave your life up to fate  
Bm G A  
You've got to turn it around before it's too late
