[Intro:] C F C Bb C F G F Bb C

Don't you smell the cookies he's bakin'
 Can't you see that belly, it's shakin'
 Don't take that cookie off of that pan
 You don't want to mess with this man

You've never seen this side of him before
 You know he won't be knockin' at your door

Here comes Santa Claus
 Here comes Santa Claus

Doin' all those good things everybody know the claus

Here comes Santa Claus
 You know he's a big man don't mess with the boss

Ask Rudolph and he won't steer you wrong
 Santa wasn't fat all along
 Until he started cookin' one day
 Now don't take that turkey away

Riding down the air highway in his sleigh
 Bringing all the presents for the next day
 Don't forget the Donuts

His cookies and his milk are his pride
 Or anything that can be deep-fried
 Don't get me wrong now he's a nice guy
 But you don't want to get on his bad side
