

# Hanson - Fire On The Mountain

Tom: **D**

I. Hanson / T. Hanson / Z. Hanson

[Intro:] **D D G D D G**

We sit secure in time-honored traditions made **G**  
 And never wondering where or when the sickle may come **G**  
 If we don't seek out knowledge to be greater men **G**  
 When the rain starts falling gonna drown before we get our **A**

feet wet

We build our ivory towers to protect us from the floods  
 A fleet of vessels made of wood so they won't rust  
 Can we see the bottom of a bottle when we start to drink?  
 There's fire on the mountain...fire and it's coming our way

Can we pick the pieces up **G**

We're mending Babylon **D**  
 Tryin' to right the wrong **G**

Can we pick the pieces up **G**  
 Live, learn, lie, love, die, dust, gone **D**

## Acordes
