[Intro:] **A**

A
You know that I want you
You know that I need you too
When you look at me I hope you believe

That what I say is true

So I'm gonna show ya
The feelings I have for you
But you need to know I have no control
Of the things you make me do

D **A**
Well I know you don't understand

D **Db7**
Would you please just give me your hand

D **A**
I don't know how much more I can take(More I can take)

D **A**
Stuck in a dream and I don't wanna wake(Don't wanna wake)

D **A**
Is this real or is this a mistake

E
I know one thing this is true

I couldn't want anyone half as bad as you **A**

You say that you want me
You say that you need me to
But you can't mean the words you say
The way I know I do

I say that I love you
I tell them you're mine
They just turn and walk away
It happens all the time

But I know they don't understand
Would you please just give me your hand
I don't know how much more I can take(More I can take)
Stuck in a dream and I don't wanna wake(Don't wanna wake)
If it's real and it ain't no mistake
I know one thing, this is true
I couldn't want anyone half as bad as you

Gbm **A** **Ab Gbm**
I hope these words get your attention

E
Sometimes I get carried away
With what I say is it okay, ay, ay, ohhhhh

Solo: **D A D A D A Db7**

I don't know how much more I can take
Stuck in a dream and I don't wanna wake
Cause this is real and it's not a mistake
And I know one thing this is true,
You love me and I love you
And I couldn't want anyone, half as bad as you
