[Intro:] D A G A D A G A

D A G A D
Conversations from 4 o'clock till 9,
A G A D
Confrontation she'll never compromise,
A G A Em
My new religion, is written in the song,
D G A
I disbelieve it, but I can't believe it's wrong

D A G A D
I can't explain what she does to me,
A G A G
You've got to love somebody to know,

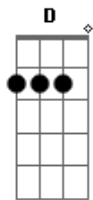

A G A Em
I can't explain how she sets me free,
D G A D
You've got to love somebody to know

Bubblicious is what she likes to chew,
Andy Warhol gave her a point of view,
She reveals me every lonely night,
I can't believe it so just believe it's right

We spend the weekends, shopping the five and dime,
We spend the evenings, making up for lost time,
I'm liberated looking in her eyes,
I can't believe it, I can't believe she's mine

G A G A G
You've got to love somebody
A G A D
You've got to love somebody to know
