

Hanson - Lucy

Tom: C

[Intro:] C Dm Em Dm

C Dm Em Dm C Dm Em Dm

The day that I left Lucy

C Dm Em F Em

A tear fell from her eye

Am Em Am Dm G

Now I don't have nobody, and I was such a fool

C Dm Em Dm

On the day that I left Lucy

The day that I left Lucy

She cried, then said goodbye

Now it's done, and it's over, and I am all alone

On the day that I left Lucy

Am E C

Now I don't have anymore songs to sing

'Cause you were everything, everything to me

F Bb

I didn't realize I felt this way, until that day

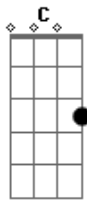

Today I'm missing Lucy,

And you say that she's OK, I hope she is

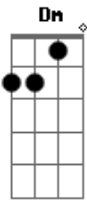

Now I don't have nobody and no one will ever replace...

My Lucy, I love Lucy, Lucy...
