

# Hanson - Need you now

Tom: E

I. Hanson / T. Hanson / Z. Hanson

[Intro:] E A

Deep brown eyes watch me as I sleep  
 Long dark hair that washes over me  
 Like a ray of sunlight  
 That warms me as I wake cos I need you now  
 Nothing ever goes the right way  
 Got to live life day by day

Hearts will bind you  
 There to remind you of where you stand  
 A freckled nose, nudge me as I sleep  
 A heart of gold that holds me as I dream  
 Tucked away in silence  
 Wake me when you come cos I need you now  
 I need you now  
 I'll never see you home  
 Cos then I'd sleep alone  
 Each morning as I wake  
 The sun is always brighter when you stay
