

# Hanson - Next Train

Tom: **B**

( I. Hanson / T. Hanson / Z. Hanson )

**B** **B7M** **Abm**  
Well I finally found tomorrow  
**E** **Gb** **B** **B7M**  
'Cause I just now found today  
**B** **B7M** **Abm**  
And I'm left with all the sorrow  
**E** **Gb** **B**  
Lingering from yesterday

**E** **Gb** **B**  
So I'm leaving this behind on the next train  
**Dbm** **Gb** **B**  
To what place, well I don't know  
**E** **Gb** **B**  
When I leave I may not ride on the best train  
**Dbm** **Gb** **B**  
But I'm tired of trying to let go  
  
Well I'd love for you to be there  
On the day I say goodbye

But I've lost too much to your stare  
To even waste a sigh

So I'm leaving this behind on the next train  
To a place where I don't know  
Yes, I'm leaving this behind on the next train  
Cause I'm tired of trying to let go

**Dbm**  
You're the drug that's in my veins  
**Abm**  
You life me up and leave me pain  
**Gb**  
I'm broken, beaten, barely sane  
**Ebm** **E**  
So I'm leaving on the next train  
**Dbm**  
I gladly stayed to wade it through  
**Abm**  
And find out what I've meant to you  
**Gb**  
But it's clear to me this time  
**E** **Gb**  
So I'm leaving this behind

## Acordes
